

## Announcement

### **CORROSION AND CORROSION PROTECTION OF STEEL IN CONCRETE Vols 1 and 2**

Edited by R. Narayan Swamy. Published by Sheffield Academic Press, 1994, 1566 pp. ISBN 1 85075 723 2. Hard cover £100.00 or US\$150.00 including packing and postage by surface mail.

These two volumes contain the refereed papers accepted and/or presented at the International Conference on Corrosion and Corrosion Protection of Steel in Concrete which was held at Sheffield University from 24 to 28 July 1994. The Conference was organized by the Structural Integrity Research Institute and the Centre for Cement and Concrete of the University of Sheffield and co-sponsored by a number of international organizations. The two volumes contain a total of 128 papers as follows:

Theme 1	Corrosion <i>in situ</i>	14 papers
Theme 2	Testing for Corrosion, Life Prediction, Modelling	40 papers
Theme 3	Corrosion Protection	28 papers

### Through Concrete Modification

Theme 4	Corrosion Protection: Coatings and Membranes	10 papers
Theme 5	Corrosion Protection: Coated Steel and Non-metallic Reinforcement	19 papers
Theme 6	Corrosion Protection: Cathodic Protection, Realkalisation, Structural Retrofitting	17 papers

This is a limited edition publication and can be ordered from: Norma Parkes, Conference Secretariat, Department of Mechanical and Process Engineering, University of Sheffield, Mappin Street, Sheffield S1 3JD, UK. Tel: 44 114 2825169; Fax: 44 114 2753671.

International bankers drafts (drawn on a British bank) should be made payable to 'University of Sheffield'. For other cheques please add an additional £10.00 to cover bank charges. For other methods of payment please contact Mrs Parkes.
